

# Heat Storage for Gen IV Reactors for Variable Electricity from Base-load Reactors Workshop

July 23, 2019, Idaho Falls Idaho

---

Idaho State University, Bennion Student Union Building,  
1784 Science Center Drive, Idaho Falls Idaho

## Poster Session

Dear Poster Session Participants,

Thank you for your interest in participating in the poster presentation being held in conjunction with the Heat Storage for Gen IV Reactors for Variable Electricity from Base-load Reactors Workshop. All participants must register. The workshop will be here before you know it and we would like to provide you with some information to help you prepare.

The poster presentation will be held Tuesday, July 23, from 5:00 pm to 8:30 pm during the reception and dinner. It is your responsibility to have your posters printed. We will have foam core boards and supplies to mount your posters. Posters can be set up any time on Tuesday after 4:00 pm. Poster dimensions 36" x 48".

Below are the items that will be available for your use:

- Easel
- Rigid cardboard backing 36" x 48" (Can be displayed either portrait or landscape)
- Binder clips or clear shipping tape to attach the poster to the backing.

Please remove your poster no later than 8:30 p.m. on Tuesday. Any posters remaining at that time will be thrown away as we clean up at the end of the day.

We are looking forward to your participation in the poster presentation! If you have any questions prior to the meetings, contact me at [Jodi.Vollmer@inl.gov](mailto:Jodi.Vollmer@inl.gov).

If you would like to send your poster ahead of time, please use the address below:
