

Location and Badging Information for the Program Reviews

The program review meetings will be held at the INL Meeting Center located in the Energy Innovation Laboratory at 775 University Boulevard in Idaho Falls. The entrance to the meeting room section of the building is near the flag pole.

The Meeting Center will be in open status during the meetings, so you won't need to wear your DOE badge or have an INL visitor badge to enter. We will have name badges for everyone to facilitate conversations.
